Description:

MTB ALPS TOUR with

“Visit Hannes & Martina at Nemes Alp”

Start from **the Bike Academy Sextner Dolomiten** in the direction of **Sexten**, then slightly uphill to the **Mitterberg**. After a short climb, it is relatively flat towards to the **Nemes Alm**. After about 20 minutes we reach a plateau is called the **"Saumad" (1.750)** where we turn left to the Klammbach-Alm (1.940). This is also a demanding stretch, where after around 30 minutes we are enjoying the fantastic view on the **“Tre Cime di Lavaredo”**.

Arrived at **Malga “Klammbach”**, we make a break and enjoy the typical South-Tyrolean dishes from **Hannes & Martina**. When “Leon” plays with his accordion, we have the perfect flair.

Above the **Klammbach-Almhütte** we take the wide forest road to the **Nemesalm (1,900)**, alternatively we sometimes use the **hiking trail No. 13** this trail is partly more demanding with a carrying passage of about 100 meters, but in any case a highlight.

Shortly before the Nemes alp we take the wide route no. 146 into the **high valley**. After around 2 km, we turn right to **Coltrondo Hut**. From **Coltrondo Hut**, we take the road for about 500m and then we turn right into the forest along **hiking trail no. 149** towards **Passo Monte Croce**, initially a challenging technical **S/2 trail** in parts (as an alternativ we can take an easier way which passes the “Krötensee”), then on the forest road up to the **fork Alpe Nemes**. Arrived at the **crossroad Alpe Nemes/Malga Coltrondo**, we turn right into **hiking trail no. 130** towards **“Schwarzsee”** and then we turn left, towards the **campsite**. The trail from here, is a cool, partially challenging trail with lots of roots passing the campsite to the valley station of the **“Tre Cime di Lavaredo cable car”** and the **“Pollaio Hut”**. We turn right to **“Pollaio Hut”** and on the **Sesto circular path**, we return to **the Bike Academy Sextner Dolomiten**.

Before we return to the hotel, we make a short stop at **“Gästhäusl Putschall”** and drink a fresh, cool “Pustertaler” beer, to finish the day.
